Company Service Policy

Refund Policy

Customers are eligible for a refund within **7 days of purchase** if the service has not been fully delivered.
Refund requests must be submitted through email with proof of purchase.
Once approved, refunds are processed within **3–5 business days**.

Cancellation Policy

Customers may cancel their order within **24 hours of placing it**.
If the cancellation request is made after 24 hours, a **10% service fee** may apply.

Customer Support

Customer support is available **Monday to Friday from 9:00 AM to 6:00 PM**.
Support requests can be submitted via email or through the company's support portal.

Invoice Generation

All invoices are generated automatically through the company billing system.
Invoices include the service description, date of purchase, payment method, and total amount paid.

Data Privacy

Customer data is stored securely and is not shared with third parties without consent.
The company follows industry standards to ensure the protection of user data.

Service Availability

The company strives to maintain **99% uptime** for its services.
Scheduled maintenance may occasionally interrupt service availability.

Contact Information

For any inquiries regarding services, billing, or technical issues, customers may contact the company support team via email.
